SUBJECT:

Did the students learn what you intended for them to learn? How do you know?

How did your students do relative to the learning objectives in your lesson plan?

Did your instruction go as you intended? What went well? What would you do differently to improve the lesson?

Please comment on your classroom procedures, student conduct, and your use of physical space. Did you feel that they effectively helped student learning?

Did you follow your lesson plan? Did you decide to change it?
